## 2020 Chief FOIA Officer Report

### Section 1: Steps Taken to Apply the Presumption of Openness

#### A. FOIA Leadership

1. The FOIA requires each agency to designate a Chief FOIA Officer who is a senior official at least at the Assistant Secretary or equivalent level. Is your agency's Chief FOIA Officer at or above this level? Yes
2. Please provide the name and title of your agency's Chief FOIA Officer. *Wadi A. Yakhour, Chief of Staff.*

#### B. FOIA Training

3. Did your FOIA professionals or the personnel at your agency who have FOIA responsibilities attend any substantive FOIA training or conference during the reporting period such as that provided by the Department of Justice? Yes
4. If yes, please provide a brief description of the type of training attended or conducted and the topics covered.

*FOIA staff attended training and conference conducted by the Department of Justice. These included: 1) Advanced Freedom of Information Act Seminar; 2) Freedom of Information Act Litigation Seminar; 3) Introduction to the Freedom of Information Act; 4) Continuing Freedom of Information Act Education; 5) Best Practices Workshop; 6) Chief FOIA Officers Council Meeting.*

5. Provide an estimate of the percentage of your FOIA professionals and staff with FOIA responsibilities who attended substantive FOIA training during this reporting period. *100% of the SSS FOIA collateral staff attended training during this reporting period.*
6. OIP has [directed agencies](#) to "take steps to ensure that all of their FOIA professionals attend substantive FOIA training at least once throughout the year." If your response to the previous question is that less than 80% of your FOIA professionals attended training, please explain your agency's plan to ensure that all FOIA professionals receive or attend substantive FOIA training during the next reporting year. N/A

## C. Outreach

7. Did your FOIA professionals engage in any outreach or dialogue with the requester community or open government groups regarding your administration of the FOIA? Please describe any such outreach or dialogue, and, if applicable, any specific examples of how this dialogue has led to improvements in your agency's FOIA administration. *The FOIA staff engages with the requester when there are questions or additional information is required.*

## D. Other Initiatives

8. Describe any efforts your agency has undertaken to inform non-FOIA professionals of their obligations under the FOIA. In 2016, the Department [publicized](#) FOIA-related performance standards for employees that have any role in administering the FOIA, including non-FOIA professionals. Please also indicate whether your agency has considered including FOIA-related performance standards in employee work plans for employees who have any role in administering the FOIA. *The FOIA Officer has FOIA related performance standards in their work plan. FOIA staff works with program staff members on FOIA requests, exemptions and requirements.*

9. If there are any other initiatives undertaken by your agency to ensure that the presumption of openness is being applied, please describe them here. *First, the content of each requested record is examined by the program office, FOIA staff and General Counsel to ascertain whether or not the record is classified or pertains to national security, commercial and financial information, personal privacy, and information protected by statute. If so, the record is generally not released. However, few requests involve the foregoing categories. Second, each record is carefully reviewed to see if it fits all requirements of the exemption being considered. The age of the document is also looked at to determine if it is outdated and has been superseded by a newer version and is no longer sensitive. On the rare occasion that an exemption may apply, the FOIA staff and the Office of General Counsel determine if a partial release of any portion of the record can be made. FOIA staff looks at each request with a presumption of openness and releases portions of the record when the full release is not possible. Therefore, everything else has been released; in fact, the vast preponderance of requests are full grants. If there were to be an exemption that is subject to discretionary release, it would be reviewed under the foreseeable harm standard.*

## Section II: Steps Taken to Ensure that Your Agency Has an Effective System in Place for Responding to Requests

DOJ's [FOIA Guidelines](#) emphasize that "[a]pplication of the proper disclosure standard is only one part of ensuring transparency. Open government requires not just a presumption of disclosure, but also an effective system for responding to FOIA requests." It is essential that agencies effectively manage their FOIA program.

Please answer the following questions to describe the steps your agency has taken to ensure that the management of your FOIA program is effective and efficient. You

should also include any additional information that that describes your agency's efforts in this area.

1. For Fiscal Year 2019, what was the average number of days your agency reported for adjudicating requests for expedited processing? Please see Section VIII.A. of your agency's Fiscal Year 2019 Annual FOIA Report. *N/A.*
2. If your agency's average number of days to adjudicate requests for expedited processing was above ten calendar days, please describe the steps your agency will take to ensure that requests for expedited processing are adjudicated within ten calendar days or less. *N/A*
3. During the reporting period, did your agency conduct a self-assessment of its FOIA program? If so, please describe the methods used, such as reviewing Annual Report data, using active workflows and track management, reviewing and updating processing procedures, etc. *Yes, reviewed our mail intake and review procedures. No changes were warranted.*

Note: In September 2017, OIP released a FOIA Self-Assessment Toolkit as a resource for agencies conducting a self-assessment of their FOIA program. The Toolkit is available on OIP's website for all agencies to use.

4. The FOIA Improvement Act of 2016 requires additional notification to requesters about the services provided by the agency's FOIA Public Liaison. Please provide an estimate of the number of times requesters sought assistance from your agency's FOIA Public Liaison during FY 2019 (please provide a total number or an estimate of the number). *0.*
5. Please describe the best practices used to ensure that your FOIA system operates efficiently and effectively and any challenges your agency faces in this area. *First, the content of each requested record is examined by the program office, FOIA staff and General Counsel. FOIA staff looks at each request with a presumption of openness. This policy of discretionary releases has been maximized through our centralized system. Since one office handles all FOIA actions, this policy is practiced uniformly.*

### **Section III: Steps Taken to Increase Proactive Disclosures**

The Department of Justice has long focused on the need for agencies to work proactively to post information online without waiting for individual requests to be received.

Please answer the following questions to describe the steps your agency has taken to increase the amount of material that is available on your agency websites. In addition to the questions below, you should also describe any additional steps taken by your agency to make and improve proactive disclosures of information.

1. Provide examples of material that your agency has proactively disclosed during the past reporting year, including records that have been requested and released three or

more times in accordance with 5 U.S.C. § 552(a)(2)(D). Please provide links to these materials as well.

#### **Section IV: Steps Taken to Greater Utilize Technology**

A key component of FOIA administration is using technology to make information more accessible. In addition to using the internet to make proactive disclosures, agencies should also be exploring ways to utilize technology in responding to requests.

1. Is your agency leveraging or exploring new technology to facilitate efficiency in its FOIA administration that you have not previously reported? If so, please describe the type of technology. If not, please explain why and please describe the typical search process used instead. *The FOIA staff works closely with the IT staff when a search needs to be conducted of electronic records and emails. We also work closely with our Data Management Center for searches of the registration data base. FOIA Officer notifies program staff of a FOIA request and a thorough search is done for the information requested. Search includes all relevant information, records and files, documents and emails.*
2. OIP issued [guidance](#) in 2017 encouraging agencies to regularly review their FOIA websites to ensure that they contain essential resources and are informative and user-friendly. Has your agency reviewed its FOIA website(s) during the reporting period to ensure it addresses the elements noted in the guidance? *Yes, information is regularly updated and expanded. Website is currently being updated to make it more user-friendly and easier to navigate.*
3. Did your agency successfully post all four quarterly reports for Fiscal Year 2019? **Yes**
4. If your agency did not successfully post all quarterly reports, with information appearing on FOIA.gov, please explain why and provide your agency's plan for ensuring that such reporting is successful in Fiscal Year 2020. *N/A*
5. The FOIA Improvement Act of 2016 requires all agencies to post the raw statistical data used to compile their Annual FOIA Reports. The success story can come from any one of the five key areas. As noted above, OIP will highlight these agency success stories during Sunshine Week. To facilitate this process, all agencies should use bullets to describe their success story and limit their text to a half page. The success story is designed to be a quick summary of key achievements. A complete description of all your efforts will be contained in the body of your Chief FOIA Officer Report.

*During FY 2019, Selective Service significantly boosted its social media presence, with its numerous platforms including: Facebook, LinkedIn, Instagram, Twitter, YouTube, Snapchat, Spotify, Google, and Reddit.
