What is Selective Service Registration?

Selective Service registration is required by law as the first part of a fair and just system that, if authorized by the President and Congress, would rapidly provide personnel to the Department of Defense while at the same time providing an alternative service program for conscientious objectors.

How can men register?

You can register online at sss.gov, at any U.S. Post Office, or by calling 1.888.655.1825 (bilingual support available).
